Full-Stack Web Developer · AI Automation Engineer · Digital Growth Strategist

Lagos, Nigeria | +234 904 734 6643 | [a.sulaimonmayowa@gmail.com](mailto:a.sulaimonmayowa@gmail.com) | [linkedin.com/in/sulaimon-mayowa](https://www.linkedin.com/in/sulaimon-mayowa)

## PROFESSIONAL SUMMARY

Full-stack web developer and digital growth strategist with 4+ years of hands-on experience delivering high-impact digital products for clients across education, media, real estate, and professional services. Specialises in custom WordPress and Next.js builds, AI workflow automation, and data-driven SEO and paid-media campaigns. Proven track record of owning the full project lifecycle — from discovery and brand strategy through development, launch, and post-launch optimisation. Currently expanding expertise in AI agents and modern JavaScript frameworks to help businesses automate operations and scale intelligently.

## CORE SKILLS

**Web Development:** Next.js, React, TypeScript, HTML5, CSS3, JavaScript, WordPress, Shopify, Elementor Pro, Tailwind CSS, Git

**AI & Automation:** AI Workflow Design, Prompt Engineering, AI Agents, Zapier/Make.com-style automation, Python (basics)

**Digital Marketing:** Technical SEO, On-page Optimisation, Google Ads, Meta Ads, Social Media Marketing, Copywriting, Conversion Rate Optimisation

**Design & Tooling:** Figma, Canva, Google Analytics, Yoast SEO, Paystack Integration, Fluent Forms/CRM

**Business & Management:** Full Project Lifecycle Management, Client Consultation, Brand Strategy, Business Development, Sales

## PROFESSIONAL EXPERIENCE

**Founder & Lead Developer** · [Mayors Web Solutions](#)

2021 – Present | Lagos, Nigeria

*End-to-end digital agency providing web development, AI automation, and digital marketing services to SMEs and growth-stage companies across Nigeria.*

- ▶ Delivered three high-impact digital platforms in 2026 for clients in media and international education, achieving premium UX and full brand identities from concept to go-live.
- ▶ Smarts Magazine — Architected and built a scalable custom WordPress editorial platform for a leading Africa-focused digital media brand. Implemented bespoke UI/UX, multi-content architecture (news, features, magazine editions, video), and a fully SEO-optimised site structure, enabling the editorial team to manage high-volume content independently from day one. Stack: WordPress · Elementor Pro · Yoast SEO.
- ▶ Prime Booth Edu Advisory — Engineered a feature-rich WordPress platform for a study-abroad consultancy, delivering full brand identity, a university search system, events management, blog, and Paystack payment integration to drive measurable student enquiry growth. Stack: WordPress · Elementor Pro · Paystack · Fluent Forms · Events Manager.
- ▶ IEH Consult — Led a full digital transformation: designed and built three interconnected platforms (corporate website, university search portal, custom CRM) under a unified brand identity, strengthening professional positioning across Nigeria and the UK. Stack: WordPress · Elementor Pro · Fluent CRM · Custom CSS.
- ▶ Implemented technical SEO strategies, Core Web Vitals optimisations, and user-centred design principles that improved client search visibility and lead-generation outcomes.
- ▶ Managed the full project lifecycle across all engagements — discovery workshops, brand strategy, wireframing, development, QA, launch, and post-launch support.

**Business Development Executive & Property Consultant** · [Adron Homes & Properties](#)2021 – Present | Lagos, Nigeria

- ▶ Built and nurtured a client portfolio driving property transactions and investment referrals through targeted marketing content and strategic engagement.
- ▶ Supported revenue growth through needs-based consultative selling, negotiation, and proactive client acquisition initiatives.

**Zonal Coordinator** · [NCCF, Njikoka LGA](#)2024 – 2025 | Anambra, Nigeria

- ▶ Led community development programmes, medical outreaches, and volunteer teams of 20+ members, managing budgets, logistics, and operational strategy for multi-day conferences.

**KEY ACHIEVEMENT**

**FounderStore E-commerce Project:** Designed and optimised a single-product e-commerce site that achieved a 20× increase in engagement and sales within two months via conversion-focused design, UX improvements, and targeted traffic strategies.

**EDUCATION**

**B.Sc. (Ed.) Physics**2016 – 2023  
Obafemi Awolowo University, Ile-Ife, Nigeria  
NYSC Completed (2025)
